

TEX ASIA CO.

## COMPANY PROFILE

# About Us

Your Partner for Quality Fabric, Yarn & Accessories  
Solutions

Founded in 2014, Tex Asia Co. is a specialized supplier of denim and non-denim woven fabrics to the global textile and garment industry, supporting brands, buying houses, and manufacturers across multiple product categories.

With a strong focus on quality, precision, and on-time delivery, we provide end-to-end fabric solutions tailored to your production needs. Our portfolio includes a wide range of denim fabrics as well as premium non-denim woven fabrics, supported by reliable sourcing of yarns and a manufacturing unit for essential trims and accessories.

From fabric development to bulk supply, Tex Asia offers a seamless supply experience, complemented by elastics, tapes, labels, and yarns to support complete garment production.

Backed by deep industry expertise and long-standing partnerships, Tex Asia is committed to being a dependable, performance-driven partner in your fabric and textile supply chain.

# Vision

---

To be a leading global partner in the textile supply chain, known for quality, reliability, and innovation in trims, accessories, yarns, and fabrics.

# Mission

---

*To deliver high-quality textile components and materials with precision, consistency, and service excellence—empowering our clients to create world-class garments and products.*
